SMOKY MOUNTAIN MIST CABINS

FOR YOUR SAFETY

Welcome to Smoky Mountain Mist Cabins. We are a locally owned business nestled in the Great Smoky Mountains. We hope you enjoy this area as much as we do with all the activities, events, wildlife and nature the Great Smoky Mountains has to offer throughout the year.

We urge you to make sure that your vehicles are locked and windows are up and no food left in them. We do have bears that visit and that enjoy a free meal. We also ask that you make sure the trash container is securely locked to prevent them from gaining access. This keeps not only you safe but everyone around..

SMOKY MOUNTAIN MIST CABINS

VR HEADSET

Headset Adjustment. To reduce the risk of discomfort, the headset should be balanced centered, and the distance between the lenses (the intra-axial distance, or IAD) should be appropriately set for each user. Adjust the rear and top straps to ensure comfortable placement of the headset. Adjust the IAD for each user by moving the eyecups directly to whichever of positions 1, 2. 3 provides the clearest image. When properly adjusted, the headset should fit comfortably and you should see a single, clear image. Re-check the settings before resuming use after a break to Avoid any unintended changes to any adjustments.
